Dear Stallion Owner/Farm Manager:

It's that time of year, babies have been weaned and the dreaming starts again as does the extensive research... which stallion will cross with my mare to produce that superstar? Will it be your stallion cross that creates the excitement that feeds Quarter Horse Racing? It is time to put those dreams to action, breeding season 2024 will soon be here!!!

With the Online Auction we have seen an increase in activity with potential buyers, information about your stallion reaching more potential buyers, the sale brings in more money which means the added money for the Futurity & Derby are increased, WINS for everyone! The auction web-site is www.ghraistallionauction.com, bidding will begin December 8th, but your stallion information will be loaded soon after I receive your donation. We look forward to the times ahead!

In Indiana 80% of the funds collected from the sale of Stallion Services are added to a Futurity and Derby that are restricted to offspring of the Stallions that sold in the appropriate year. If your stallion sells thru our auction **ALL** offspring are eligible for the **\$100,000+ ADDED FUTURITY** and the **\$75,000+ ADDED DERBY** in Indiana. In 2023 the purse money for the Futurity was \$197,646 and the Derby was \$114,124. We have seen growth in the last few years and are committed to continuing to grow the program and are asking for your help by donating your stallion service to the 2024 Stallion Service Auction.

The BEST news, Quarter Horse Racing Association of Indiana has been working to bring graded races to racing at Horseshoe Indianapolis, we have succeeded with a start... the 2024 Stallion Service Auction Futurity has been approved by AQHA for **Grade 3** status! We will continue to work hard at keeping that Graded status!

Still not convinced? Would you wager on your stallion's progeny? Can he produce the best of the best? We are proud to offer an incentive that will reward you for your faith in your Stallion, a **\$5,000 Bonus** that will be paid to the **OWNER** of the stallion that sells through the 2024 QHRAI Stallion Service Auction who sires the **WINNER** of the **2027 QHRAI Stallion Service Auction Futurity**. This year the bonus went to Miller Ranch for their donation of Escondido Beach. The first incentive winner was **Escondido Beach** (from the 2016 Auction), other incentive winners include; Seize The Win, Apollitical Blood, Apollitical Spirit and Mighty B Valiant.

If sold, ALL foals by your stallion from the 2024 breeding season will be eligible to enter and run in these races they do NOT need to be Indiana Bred.

I have enclosed the contract/contracts for the 2024 Stallion Service Auction for Indiana Quarter Horse Racing Association. Bidding for the auction will begin December 8th and run thru January 14th 5:00pm EST. In order to assure your stallion's information is complete on our site when bidding begins; **please return the contract(s) no later than December 1, 2023**. The web-site will be active before December 8th to enable bidders to see what Stallions will be offered. After the auction, all services will be offered at the agreed upon minimum until July 1st.
